Dear Team Leader,

I am writing to provide you with a brief update on the progress of our group project.

So far, we have completed the research and divided the remaining tasks among the team members. We are currently working on the presentation and reviewing the information we have collected to ensure that everything is accurate and well organized.

We have faced a few challenges in coordinating everyone's schedules, but we are communicating regularly and working together to stay on track and complete the project on time.

I will keep you informed of any significant changes or problems that may affect our progress. Please let me know if you require any additional information or would like an update on any specific part of the project.

Thank you for your time and understanding.

Yours sincerely,
Binil Bino
